A Profitable Investment—I have on my list of properties in Youngstown city many places that should prove attractive investments for people who seek to place their money where it will be perfectly safe, yield good returns in the way of rentals and at the same time steadily increase in value. The latter feature alone is well worth considering. My list includes business and residence properties as well as vacant lots in nearly every quarter of rapidly growing Youngstown. Will be pleased to hear from interested parties. M. Hime
